Federal Election Day

In light of the upcoming federal elections, Monday, April 28, 2025 will be a Pedagogical Day for EMSB elementary, secondary and adult sector students.

The Canada Elections Act stipulates that employers must ensure that their employees have three (3) consecutive hours while the polling stations are open (9:30 a.m. to 9:30 p.m.) to exercise their right to vote.

Consequently, on Monday, April 28, 2025 all employees will follow their regular work schedule. B.A.S.E. Daycares will also remain open during the day with their same hours of operation.
