

Creating an Account on Qidigo

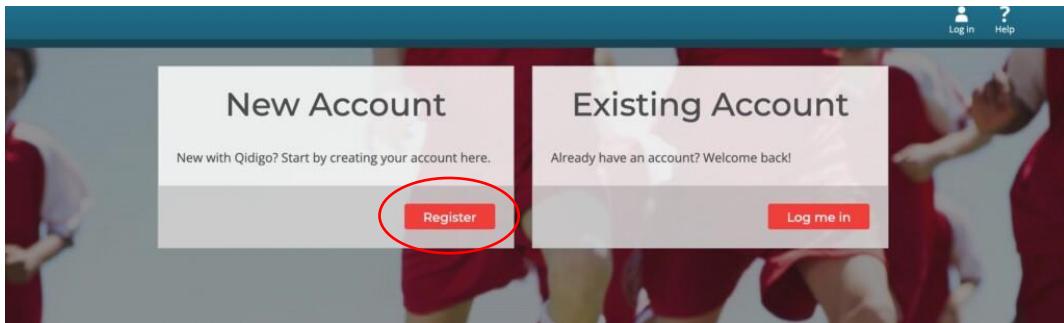

You can view the details of a program, such as its description, fees, and timetables on the Qidigo website. A profile must be made in the name of the parent or guardian. Once the Qidigo profile has been created, you can add your child(ren) as a family member to your profile. We use the platform to book for our camps and programs. Please note all RL24's will be issued on Qidigo.
